

Oct 31st, 2013

Prof. Goffredo Haus, Dean
Dept. of Computer Science
State University of Milan
ITALY

Ref: Dr. Luca A. Ludovico

To whom it may concern;

In 2008 Luca A. Ludovico has been elected as the Treasurer of the IEEE Computer Society Technical Committee on Computer Generated Music. He remained in charge until the closure of the committee, in 2011.

Between 2001 and 2008, has been a member of the IEEE Standards Association Working Group P1599 on XML Musical Application, until the end of the standardization process of the IEEE 1599 format.

For his contribution to the development of this standard, in 2009 he has been awarded with a plaque.

Sincerely,

Goffredo Haus
